Glenwood, Iowa

Dec. 8 - 1922

Dear Carrie Midge & Mate -  
Yours of the 6th Inst received and  
contents noted.

Well I didn't get to go out to Miller's  
Dub, It rained and then froze - We started  
out (Mrs Wyant and I) in their car  
as I was afraid to drive ours, and  
the car turned clear around on the  
square it was so slick - we had to  
come home

Marian was going to write here  
because I had to tell Robert - Eula  
came up and left the kids (ahem)

Marian goes around singing "You  
never miss your Mother till she's gone"  
it's sure true - Oh boy Mamma we  
are just beginning to realize how  
much you work - and our slogan  
is "When that's gone you gotta buy  
more" - we sure are economizing -  
We mopped the floor yesterday ! ! ! ! ! over

Some of our apples froze last nite, Bill  
~~just~~ is going to fix the lock to - nite -  
Maurice says he's going to earn  
enough money to make you a million-  
aire - ~~he~~ so you wont ever have  
to make fires etc -

Mama did you know Mrs C W Brett.  
she dropped dead last nite, when  
Mr Brett came in from doing the  
chores she was lying on the floor  
dead - (I think she was one of your  
customers) - Dr Plimpton turned  
over in his car (slippery) and  
smashed his car and cut him a little -  
Mama & Phelps fell down and  
hurt her self pretty bad.

I'm sure glad you are enjoying  
your self - Dont worry - Maman and  
I are getting along with out a  
word - she waks fine etc -  
Lu Verne was up last eve -  
I sure do miss you to talk to - Maurice  
is gone almost all the time Love to all  
Mi Joe & Bob
